CURRENT NEIGHBOURHOOD PRIORITIES

Date Set: July 2013

Reduce Summertime Crime

It was decided at the last panel meetings for Northern and Southern area that the priority would be set to reducing summertime crime in our area.

We will be holding crime prevention stalls where we will be on hand to answer any questions and have literature on how to make your home and property as safe and secure as possible.

We will also utilise LincsAlert to inform people of any crimes in our area and also promote any events which will hold.

NEXT PANEL MEETING:

Northern Panel 15/10/13
7pm - Holton le Clay Parish Council Offices, Pinfold Lane, Holton le Clay

Southern Panel 08/10/13
7pm - Louth Police Station

YOU SAID – WE DID

Action against set priorities

Operation Handbrake has been running as a priority in our area since the beginning of the year.

We did initially see a massive reduction in thefts from motor vehicles, however over the last three months, the figures have risen again.

The main area that has been hit with this crime is in the north of our area. We have had increased patrols in the area, including unmarked police cars and undercover police officers patrolling.

We have used the Louth Police Cadets to try and educate people into ensuring that they do not leave any valuables and always lock their vehicles.

We have also sent out many LincsAlert messages to inform people that the crimes are happening, we asked for the village newsletters to also inform people.

We will continue our patrols in the northern area with the view of reducing these crimes and catching the offenders.

Please be vigilant and report any suspicious behaviour to ourselves.

CURRENT UPDATES

Thefts from Motor Vehicles – Holton le Clay, Tetney and North Thoresby Area

We have seen an increase in thefts from motor vehicles in these areas, a high proportion of the vehicles have been left insecure with valuables inside. We cannot stress enough the importance of always ensuring that your vehicle is locked and secure with no valuables inside. If you do need to leave any valuables in the vehicle, please ensure that these are out of sights. Patrols in the area have been increased and we would urge anyone to contact us if they see anyone acting suspiciously.

Burglaries – Ludford and Utterby

On 02/07/2013, we have two day time burglaries reported to us. Incident 381 02/07 was on Church Lane, Utterby where entry had been gained by damaging a UPVC rear door, once inside offenders stole numerous items including a 55" TV and various items of jewellery.

Incident 283 02/07/2013, was a property on Magna Mile, Ludford. Offenders had entered the property whilst the occupant was outside in the garden. Offenders entered through an unlocked door and once inside stole a wallet.

**** If you have any information, please call 101 and quote the incident number****

LOCAL COMMUNITY NEWS / EVENTS

Anti-Social Behaviour Marshchapel

We have recently seen a rise in anti-social behaviour incidents in the Marshchapel area. Patrols in the area have increased and we are working with other agencies to tackle this problem. We would ask anyone who witnesses any anti-social behaviour to contact us on 101. One youth has recently been arrested in relation to a number of these incidents and is currently on Police bail pending further enquiries.

No Cold Calling Zone – Utterby

We are currently in the process of setting Benson Court, Utterby up as a No Cold Calling Zone. We are working with Lincolnshire Trading Standards to do this. Should you wish for an area in your village to be a NCCZ, please contact one of the team.

Bike Week – June 2013

Last month we held events in partnership with Louth Cycle Centre to security mark bikes in our area. We ran events at the local schools and the winner was drawn by Paralympian Jamie Carter. The winner was Charlotte Souter-Smith from Binbrook Primary School. Well done to Charlotte and many thanks to Louth Cycle Centre and Jamie Carter for their help and support with the event.
