Thought for February 2020

Rejoicing in every day

These short dark days of winter often cause us to think of warmth, sunshine and relaxation. Many sit down in the evening and look at the holiday brochures to plan their time away. When the daily routine becomes a bit of a bore or a drudge, it uplifts us to look to our holidays.

Sometimes we meet people while out shopping and during a conversation, many say what a terrible day it is if it is wet and cold. It might be a challenging time but we need to remember that when we can get up and out it is a blessing and a day not to be missed by moaning and groaning.

We can look forward with hopeful anticipation and with pleasure to what lies ahead but let's enjoy every day as it comes along as we experience the variety that life presents to us.

Paul, in his letter to the church members in Philippi advised them to stay close to God and to praise him at all times and in all situations. This is sound advice!

Paul emphasised this theme when he wrote, "Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." (Philippians 4: 4-7)

Blessings, Rev'd Jenny West, Associate Minister

### Defibrillators

There are three community defibrillators within the village. They are located on the side of the village hall in Pinfold Lane, on the side of the Vintage Car Garage on Louth Road and there is one at the entrance to the 8 Acres Playing Field.

### Precept

At the Extraordinary Full Council meeting on the 9<sup>th</sup> January 2020 Holton Le Clay Parish Council set the precept request for 2020/21 at £68,403. The precept request is the amount of Council Tax the Parish Council requires from local residents for the financial year.

This represents an increase of £8583 from last year's figure.

To put this figure in to context this will mean an annual cost of £52.69 for the Parish Council element of the Council Tax Charge on a Band D property. Last year's charge was £46.08.

So, where does your £52.69 a year or £1.01 a week go?

Your money directly supports the administration of the Parish Council which in turn has been able to provide the following services to Holton le Clay: cutting and maintenance of grass verges, the 8 Acres Field, and the Junior Playing Field.

Regular safety checks to existing play equipment. Daily litter picking and dog mess clearance, gritting and clearing of paths in risk areas during winter weather. Provision of new benches and litter bins, provision and ongoing support of the Village Hall, provision and maintenance of the Cemetery. A staffed Parish Council office open Monday to Friday. As well as all of this the Parish Council continues to liaise with Lincolnshire County Council and East Lindsey District Council on several issues including planning applications and highways issues and highlight the needs and views of the residents of Holton le Clay.

### News

There have been several incidents of vandalism on the Junior Playing Field in Garth Way. These include several teenage boys attempting to start a fire under one of the pieces of play equipment and more recently, some of the new trees that were planted have been pulled out of the ground. CCTV footage of the culprits has been passed to the police. The mountain bikes and two of the boys

**Everton and Liverpool**

Ben Chambers was the minister at St Domingo’s Methodist Chapel in 1877. He was concerned about the boys in his church as there was nothing much for them to do. He started cricket and football teams and they played in the local park.

After a while the team changed its name from St Domingo’s to Everton and some time later they decided to get a strip. It was a while, though, before the famous blue and white was decided upon. John Houlding – a wealthy businessman – became their first president and he found them a football ground at Anfield where they were a great success. John had plans for the club but some of the Everton players and members of St Domingo’s were not happy with these plans. The two sides could not agree. John Houlding then decided to start his own team, just called ‘Liverpool’. Everton was forced to move from Anfield and there was a lot of bad feeling on both sides.

A member of the chapel found a new site for Everton called Goodison Park, and for the next 50 years St Domingo’s played a large part in the development of Everton football club. In 1902 John Houlding died. As an act of forgiveness and reconciliation between the two teams, his coffin was carried by three Everton players and three Liverpool players. The flags at both clubs flew at half – mast.

Reconciliation means bringing people together in friendship when they have been separated by some hurt or wrong. It’s about making up after a wrong has been forgiven. For Christians reconciliation is something they are told to do by Jesus: ‘Jesus reconciled us to himself, making us friends with God; he gave us the work of reconciling others.’ (2 Corinthians 5:18)

(Note that Christian origins do not imply that the modern clubs have a religious affiliation.)
