EDDIE COULBECK

HLC MERC would like to thank Eddie for all his support and help over the last 9 years and wish him all the best for the future.

Holton le Clay Village Hall

After almost 10 years as Chairman of HLC MERC (Holton le Clay Village Hall) I have decided to resign from the committee. This difficult decision has been made after very careful consideration. I feel now is the time for me to step down to spend valuable time with my family.

I joined the committee at its very beginning with the intention of helping to renovate the derelict Etherington Arms to a high standard Village Hall. Through the hard work and determination of all involved, I feel that has now been achieved.

It has been a wonderful experience to see how the local community have pulled together supporting MERC since it started, from attending events to helping with the organisation of the Fayres.

I would like to take this opportunity to offer my personal thanks to The Village Hall Committee, The Parish Council, The Parish Clerk Emma, St Peters Church and the whole of the village for the help and support they have given me over these years. **Eddie Coulbeck**

Please note that if the clerk is on sick leave or annual leave, the chairman of the parish council can be contacted in the event of an emergency. The office number is 01472 234566 and there is a voicemail facility.

WHICH COUNCIL? Holton-le-Clay comes under a three tier Council System and as such it can sometimes be confusing as to who to contact when. The Councils are:

Lincolnshire County Council who are responsible for Schools, Highways (including Street Lights and Pot Holes), Local Recycling centres (Tips), Transport and Health & Care issues and along with several other things they can be contacted on **01522-552222**.

East Lindsey District Council who are responsible for Refuse Collection, Bottle banks, Planning, Licensing and Benefits along with several other things, they can be contacted on **01507-601111**.

Holton-le-Clay Parish Council who are responsible for the village grass cutting, the village Maintenance Operative, the Junior Playing Field, the 8 Acre field, the Cemetery & Parish Gardens, Provision of (but not running of) the Village Hall.

Defibrillators There are two community defibrillators within the village. They are located on the side of the village hall in Pinfold Lane and on the side of the Vintage Car Garage on Louth Road.

Cemetery A team from Anglian Water and members of the Parish Council have been busy planting Daffodil, Crocus and Iris bulbs in the Cemetery driveway. £100 was spent on the bulbs by the parish council and Anglian Water kindly matched this. The driveway will look beautiful in the spring with the different coloured flowers brightening up the area.

Also on the Cemetery, a new turning circle has been added at the end of the driveway. This is to enable cars to turn around safely without churning up the mud.

Dog Waste There are now bottles filled with poo bags on the lamp posts in most areas of the village. Please help to keep the village clean by using the bags and depositing them in the nearest litter bin. If you notice the bottles are running low please free to pop some of your own bags in for other dog walkers.

8 Acres The Parish Council has purchased 4 new benches for the 8 Acres Playing Field which will be installed this month.

YOUR PARISH COUNCIL NEEDS YOU!

The Parish Council currently has two vacancies for councillors. Could YOU be a parish councillor? Would you like input into matters such as the upkeep of the village, setting the council tax precept and making consultee comments on planning applications in the village? For more information please contact the clerk to the parish council on 01472 234566 or by email at hlc.pc@btconnect.com

Why do birds fly south in the winter? (Reply) Because it is too far to walk.

How do farmers count their cows? (Reply) With cowculators.

There is the story of the Irishman who died suddenly and went up for divine judgement, feeling extremely uneasy. He didn't think that he had done much good on earth. There was a queue ahead of him, so he settled down to look and listen. After consulting his big book, Christ said to the first man in the line, "I see here that I was hungry and you gave me something to eat. Good man, come into heaven."

To the second he said, "I read here that I was thirsty and you gave me a drink; well done, come into heaven."

The Irishman was very worried, he felt that he had much to fear because he had never given anyone food or drink; or visited them in prison or when they were sick. Then his turn came, Trembling he watched as Christ examined the book of judgement. Then Christ looked up and said, "Well, there's not much written here, but you did do something. I was sad and discouraged and depressed and you cheered me up with your jokes. Get along into heaven."

There is a lovely point to the story; to cheer up another person who is depressed is to cheer up Christ.

Thanksgiving for all those things – music; fun and laughter – that brighten our lives; may we put ourselves out to make others happy.

JOY

Our theme today is JOY so we are beginning with some jokes.
Which dog has no tail?
(Reply) A hot dog.
