## Thought for July 2018

### Here Comes the Sun!

In my youth one of the things certain to bring a smile, a lift of spirits and mood was to play side 2 of my Abbey Road LP (Yes, one of those things referred to as vinyl), especially during the early months of the year, when the weather had been poor. It may not have been a 'long cold lonely Winter' but there was that longing for better weather and yes some sunshine.

We have been blessed over the last month or so with much better weather than earlier in the year, which had been a pretty poor start to the year. It appears that we are going to be in for (don't say it too loud) a good Summer but don't count on it. It always seems a bit mean that GCSE's are taken when the weather is at its best and the students should be enjoying it rather than cooped up revising or in an exam room.

When we look back, nostalgia brings to mind the happier good times although we also remember the more difficult things too. Some people live too much in the past with rose tinted spectacles forgetting to live for today. For all today's difficulties and problems there is also much to be thankful for. Be thankful for the good things of the past but also be grateful for all that we enjoy today, as this will be the nostalgia of the future. So enjoy the sacrament of the present moment it is a pearl of great price. Matt13 vs 45.

With blessings, Revd Chris Woadden.

## JUNE 2018 NEWS

**AFTERNOON TEA - Tuesday 3rd July** from 2 pm until 4 pm in the Village Hall, Pinfold Lane. Take a little time off from gardening and all your other summer activities to spend an afternoon with friends from the village and enjoy the usual selection of cakes, scones, tea and coffee. All welcome. And even though it seems a long way ahead please make a note in your diary that the following month's Afternoon Tea will be on Tuesday 7th August.

**SCARECROWS ARE ABOUT TO EMERGE!** From **Sunday 1st July** until after the Summer Fayre on Saturday 7th July all villagers are invited to display a scarecrow in their garden or driveway. This was a huge success last year when great skill and imagination was applied to manufacture scary, funny and sometimes very lifelike scarecrows. This provided great fun throughout the village so let's make 2018 bigger and better.

**SUMMER FAYRE - Saturday 7th July** from **12 noon until 4 pm in and around the Village Hall, Pinfold Lane.** A great day is promised - the theme this year is Nursery Rhymes. Displays of yoga and cheerleaders, a bouncy castle and, for the really daring, a giant slide, crazy golf and many other competitions. Music will be provided by the old fashioned barrel organ and, as last year, an appearance from Queen Elsa from Frozen. Lots of food and refreshments available, crafts, cakes, clothes and bottle stalls, grand raffle drawn on the day, tickets available in the village and at the Fayre. We are sure it will be a bright, sunny day but if there is a little rain, don't worry, there are many activities in the village hall.

**POP IN** There will be a Pop In, on **Saturday 21st July**, from 10a.m - 12noon. Entry fee 50p, including tea/coffee and biscuits. Tombola and Bring and Buy stalls. Most importantly,

meet up and have a good chat! Please support us and enjoy a couple of hours of friendly chat. Margaret, 590896

### HOLTON LADIES GROUP

The next meeting of the Holton Ladies Group is on Thursday 12<sup>th</sup> July at 7.30pm in the Village Hall. The speaker will be Nigel Peers who will talk and show slides of his time serving in the Household Cavalry, looking after the welfare of the horses, and being messenger to the Queen and her family. Refreshments and a raffle. Entrance £3.00

### AFTERNOON TEA AND CRAFT FAIR

In aid of the **Pink Rose Suite at Grimsby Hopsital**, on Saturday 28<sup>th</sup> July, 11am - 2pm, there will be stalls including cake and crafts, and afternoon tea for £5 with a choice of cakes, scones, sandwiches, sausage rolls, quiche etc (£3 under age 8)

### Café Church

In June, our Café Church took the form of a barbecue to which Bishop Christopher was invited. We prayed that the day might be dry and we weren't disappointed. The rain stayed off until 7.00pm by which time we had everything packed away. The first part of the afternoon was a taster of our Café Church when we sang some cheerful songs accompanied by a group of musicians, we heard how Messy Church came into being and then there were different questions about faith for discussion. Bishop Christopher led the feedback using the thoughts which had emerged as a basis of telling us the importance of having Jesus in our lives. Then as folk turned to get their burgers and buns, the Kenwick Winds serenaded the queue with a variety of familiar tunes. A lot of work went into the organisation of this event, which was most enjoyable. I say a big thank you to EVERYONE who contributed to the planning and operation because without you it would not have been so successful. Thank you, too, to our guests who came along and made their own contribution to the afternoon. Next month's Café Church is back at Holton House on Sunday, 15 July at 5.30pm, when there will be a warm welcome with tea, coffee and cakes. Please come and join us. *Rev'd*

There are two community defibrillators within the village. They are located on the side of the village hall in Pinfold Lane and on the side of the Vintage Car Garage on Louth Road.

### **8 Acres Playing Field**

Now that the summer is here we are encouraging local fitness groups or people who are looking for a challenge to use the new Adults Trim Trail on the 8 Acres Playing Field. There is a whole range of fitness obstacles from leap frogs to monkey bars and climbing poles. Time yourself and aim to beat your personal best and send us photographs for our facebook page.

### **War Memorial**

It has been reported to us that there is an increasing amount of dog fouling at the entrance to the field at the war memorial. There is a litter bin there and it only takes a minute to clean up after pets and dispose of the waste!

**EDUCATION - END OF THE  
SCHOOL YEAR**

Each morning during term time you set off to school. Some of you may be pleased to go and look forward to what you are going to do during the day; others of you may wish that you could stay at home instead. However you may feel about school, unless you receive home tuition, you have to attend, because it's the law that 'all young people must be educated' If you had lived 150 years ago, you would possibly have loved the chance to learn at an institution because only a few children had the opportunity.

6

In fact, many children had to go out to work. Indeed, most of you would have probably been working long, tiring hours in a mill or some other trade. However, in 1870 a law was passed that laid down that schools were to be provided for all children between the ages of 5 and 13. School Boards were set up to build the schools that were necessary. Since then schools have been built wherever they were needed.

Have you ever heard the saying that schooldays are the happiest days of your life? Do you agree with this saying? It is likely that whoever first said it was probably an adult! It seems that for most young people the idea that life doesn't get better than this must be something of a worry! Paul Merton, from TV's *Have I Got News For You*, said, 'My schooldays were the happiest days of my life; which should give you some indication of the misery I've endured over the past 25 years.'

But is school really that bad? Surely there are some positive aspects. The memories of fun, friendships, fights, fears, failures, fashions and first love will leave a lasting impression in your heart that years from now will cause you to chuckle and bring a tear to your eye. Today we have greater opportunities than ever before, but it is up to each one of us to make the most of them – to be conscientious in our work so that we may learn all we can; to learn when to give and take and how to live with others; and to obtain for ourselves wisdom and understanding:

God blesses everyone who has wisdom and understanding. Wisdom is worth more than silver; it makes you much richer than gold. Wisdom is more valuable than precious jewels; nothing you want compares with her. In her right hand Wisdom holds a long life, and in her left hand are wealth and honour. Wisdom makes life pleasant and leads us safely along.
