Thought for May 2018

'Spring has sprung' and 'Full of the joys of Spring' are both well-known and well used phrases. Looking out of our dining room window I see signs of new life. The trees and plants are producing buds waiting to burst into life. We do seem to have become parents to hundreds of tadpoles swimming around in the pond, and a pair of bluetits have taken up residence in the nesting box above the window. Looking back over the dark and dreary months of winter, where nature seems to be dead or asleep, and then witnessing the amazing outburst of new life happening all around us, who cannot fail to be full of the joys of Spring?

We continued this 'full of the joys of Spring' theme at our April Café Church evening, discussing what 'JOY' means to us as Christians. We sang our joyful songs, and during the coffee break we went a bit 'Blue Peterish' making SPRING cards to celebrate this wonderful time of year. We are still in the Easter season, but looking back over the winter months, the cold and darkness, it reminds me of the week leading up to Good Friday, the death of Jesus on the cross, the utter despair and fear of his disciples and the end to all their hopes, and then the glorious rising of Jesus on Easter Day.

As new life bursts all around us in Spring, so new hope, new life, new joy, that only the risen Christ can bring, burst upon our lives, not just for a season, but for all eternity. Inviting Jesus into our lives is not just a concept. It is a reality that makes us want to share with one and all.

In the song, (I am a new creation) the writer states 'a joy that knows no limit, a lightness in my spirit, here in the grace of God I stand'. This joy is for everyone, all we have to do is welcome Jesus into our lives.

Every blessing in Jesus' name, John West (Reader)

WATER AID

Many thanks to all who donated to this year's Water Aid appeal during Lent. We are pleased to say that £299.36 has been sent to this charity from our village.

Café Church

At our April Café Church, we turned to Spring, the joys of Spring, relating to new life, warmer sunshine, colourful flowers and all the positive things we feel at this time of year when nature begins to grow again. We begin to feel uplifted and energised. Two weeks after Easter Day we could also reflect on the new life that Jesus gave us after he had risen from the grave. As Christians we have much to rejoice about. We're now looking to our May meeting which falls on Pentecost Sunday, or Whitsuntide, when we will be looking at telling Jesus' story as those first disciples did at the first Pentecost. All are welcome to come and join us on Sunday 20th May at 5.30pm at Holton House. Rev'd Jenny

HOLTON LADIES GROUP

The Holton Ladies Group meeting in the Village Hall on Thursday 10th May at 7.30pm is for the ever popular Tim Burley Quiz.

There will be tea, coffee and a raffle. Hope to see you there .

From the Vicar:

MONEY, MONEY, MONEY

Think about your attitude to money and possessions. Money is important: most people use it to buy the necessities of life – food to eat, clothes to keep warm and somewhere to live. However, it's easy to fall into the trap of thinking, 'I wish I had more money,'

or, 'I wish I could buy that new.....,' and some people really believe that if they had more money all their problems would be solved.

6

If that were true, why are some of the richest people in the world so unhappy? Some have even been known to lock themselves away and live entirely alone. Why do people who win the lottery sometimes say later (and they often do!) that it was the worst thing that could have ever happened to them, that their wealth has really made them more miserable. The truth is that the love of money can become a real burden!

Mr Piet Derksen, one of the wealthiest business men in the Netherlands, said he was selling his sports equipment business and giving about £107 million to finance Third World projects. Mr. Derksen, a devout Catholic, said: 'My wealth has been like a stone around my neck – I'm glad to get rid of it. I could shout with joy.'

The Apostle Paul said this,

What did we bring into the world? Nothing! What can we take out of the world? Nothing! So then, if we have food and clothes, that should be enough for us. But those who want to get rich fall into temptation and are caught in the trap of many foolish and harmful desires, which pull them down to ruin and destruction. For the love of money is the source of all kinds of evil. (1 Timothy 6:7 – 10a).

Paul wasn't saying that to have money is wrong, but to love money and be greedy for more can only spoil a person's life.

Do you think to be rich would really make you happy or do you think there are more important things in life? What do you think they are?
