HOLTON LE CLAY PARISH COUNCIL

Following recent comments regarding the condition of the cemetery, the Parish Council would like to make residents aware of the extra care and spending that is needed to keep our village looking tidy and presentable.

Cemetery

A contractor is employed to cut the grass at regular intervals, trim around the perimeter of the site and around trees etc. In the winter months they tend to the hedges and trees around the site.

The Parish Council amended the contract, to reduce the cost, and not have the grass cuttings removed. With hindsight, this has not been successful and a new contract will be discussed to take away the grass cuttings again.

The Maintenance Operative Paul, is employed by the Parish Council and he visits the cemetery regularly to empty bins, clean the benches and strim the weeds.

Verges

We employ a contractor to cut the grass as and when we request, within their busy schedule. Holton le Clay is a very large village and it can sometimes take them 2 days to complete the job. They do have a blower with them and should blow all cuttings back on to the grass. If this isn't the case, please inform the Parish Clerk and we will report it to the contractor.

We always request a road sweeper from LCC to visit once the grass is cut but we have no control over whether this will be possible.

We understand your comments regarding grass cuttings not being collected but this is not possible within financial constraints.

If the Parish Council did not take on the responsibility of cutting the grass in the village, the County Council would provide a grass cutting service only twice per year. Many of the surrounding villages choose not to carry out grass cutting and the verges often reach more than a foot in height before they are cut.

The parish council receives a small contribution towards grass cutting from Lincolnshire County Council and the rest is covered within the precept.

Weeds

Lincolnshire County Council will spray the weeds, but it is done on an ad hoc basis and we have encountered problems in the past with only part of the village being completed and far too late into the growing season.

We have a contract with a company to weed spray 3 times a year and the first spray was booked for April. Unfortunately, this wasn't completed until May. The Parish Council will request the road sweeper a few weeks after completion, once the weeds show signs of dying off. Second and third sprays are planned for later in the summer. We receive a contribution from Lincolnshire County Council towards the cost of weed spraying.
