Creating Memories *The Tree of Hope*

I was very interested to chat with Jean Grosset the other day about a project she completed during Covid. She planted the Tree of Hope on the Eight Acres playing field.

The oak tree was planted to serve as a lasting tribute for all of us and future generations as a reminder of the work the NHS and keywords did during an awful time in our lives.

There is also a time capsule there too along with a lovely plaque. All of this was completed with help from local businesses and the Parish Council.

What's in the time capsule? Pictures drawn by local school children.

Why not pop down and see how its growing?

Tomatoes with peaches, grapes, feta and oregano salad

Serves 4

A nice light and healthy summer salad that would be great on its own with some crusty bread or with a BBQ.

Ingredients

- 4 tbsp olive oil
 - 1 tbsp red or white wine vinegar or cider vinegar
 - ½ small red onion or 1 shallot, very finely sliced
 - 2 peaches, stoned and chopped into 2-3cm pieces
 - 200g red grapes, halved
 - 600g tomatoes, chopped into 2-3cm pieces
 - ½ bunch oregano or marjoram, leaves picked
 - 50g feta, crumbled
-
- 50g kalamata olives, pitted and roughly chopped

Method

1. In a small bowl, mix together the oil and vinegar. Add the onion, seasoning with salt and pepper to taste. Put to one side to macerate for 10 minutes.
2. Put the peaches, grapes and tomatoes in a large serving bowl. Add the herbs, feta and olives, then spoon over the dressing. Serve immediately.

Tips. Use multi coloured tomatoes, yellow or white-fleshed peaches, and purple, black or green grapes. Chop the fruit roughly to similar size, and be sure to taste the salad and dress it accordingly. Soft goats cheese, Roquefort or mozzarella would also work beautifully. [Delicious magazine](#)

Twelve months of planning and the one thing we couldn't plan for was the weather!

MERC, the village hall committee, would like to thank all those who supported this year's summer fare. Whether you helped with set up, had a stall, volunteered or performed on the day, donated prizes or you attended and enjoyed the event - thank you all for making it another successful year! The organisation it takes to run this event is huge, and we couldn't do it without the commitment and dedication of the individuals on the committee and help of the other volunteers who give practical help in setting up and running stalls on the day. It is hugely appreciated.

A big thank you to HOUY LIN PHARMACY AND CLINIC for re stocking our First Aid box for the Village Hall

St Peter's Church

August is the month for holidays which many people stick to as the schools are always on their summer break during that month. It is the last of the summer months when the weather is usually warm. It's a time when lots of festivals take place around the UK, farmers are bringing in the rest of the harvest, and we like to relax and enjoy the evenings before the nights really draw in.

As we know it, August is the eighth month of the year and has 31 days, but in Roman times, it was the sixth month with only 29 days. The Roman Emperor Augustus Caesar changed it as many important events occurred in that month of his life. The Latin word is Augustus, meaning venerable, noble and majestic.

The plants in our garden do a last quick surge of growing – as indeed do the weeds, so we're kept busy outside for a bit longer. Sue Merriman keeps our churchyard in good order, but sometimes it feels like she's fighting a losing battle. The weeds are prevalent in places, and we would certainly value some willing green fingers to help keep the grounds tidy. If you feel you can help, please contact Sue on 07759518053.

Jesus told stories about weeds, the most familiar being that of the sower. Some of the seed fell among thorns, and Jesus said, "The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful." (Matthew 13: 22) Today, there seems so much in the world that chokes the good and destroys rather than producing good. During this summer, may we see the good rather than the evil in our lives.
